MAX GERSHBERG

Student Founder · Co-Founder, FoodXChange · Student Government President

PROFILE

Student founder interested in business, finance, and technology. Co-founded FoodXChange, a food-sharing app now live on the App Store, and gained business development and AI experience at Revinova. I learn by building: testing ideas, listening to users, and working with people who push me to improve.

EXPERIENCE

FoodXChange 2025-Present Co-Founder

- **Co-founded and launched** a free, peer-to-peer food-sharing app, now live on the App Store, that connects neighbors with surplus food on a live map.
- **Led campus outreach**, tabling at a Boston University campus event to introduce the app and gather student feedback.
- **Presented to the BU Nutrition & Dietetics Club** on reducing food waste and proposed a BU-only campus feed pilot.
- **Represented the company** in a podcast interview about FoodXChange and its mission.
- **Planning partnerships** with food drives and nonprofit organizations to expand food access.

Revinova 2026 Business Development & AI Intern

- **Researched business opportunities** for AI applications in clinical research.
- **Worked with the business development team** to communicate emerging technology clearly to potential users and partners.

White Mountain Creamery 2024-2025 Customer Service

- **Served customers and handled cash transactions**, food preparation, equipment operation, and inventory restocking.

Star Academy Summer Camp Camp Counselor

- **Led and supervised campers** in daily activities; supported check-in, activity setup, and camp operations.

LEADERSHIP & ACTIVITIES

Student Government, Star Academy Boston Elected 2024 Student Government President

- **Elected by the student body** after an all-school assembly with candidate debates and questions.
- **Lead student government initiatives**, events, and policies, working with administration to address student concerns.

Model United Nations Club Club Leader / Organizer

- **Facilitate weekly meetings** on international relations, global policy, and diplomatic strategy.
- **Lead delegates** in researching country positions and drafting position papers for regional conferences.
- **Represented the school** at Model UN conferences and a New York program that included the UN General Assembly Hall.
